

Carleton Rode Autumn Term Year 1 and 2

Topic: Changes

Science will focus on Animals including Humans. The children will consider how we know things are alive and the basic needs of living things. They will also learn about their own bodies and the five senses.

Design Technology

The children will follow the design process. They will make purposeful changes to their ideas to create a functional and appealing product.

History

Exploring changes within living memory such as advances in technology.

Music

The children will be using their voices expressively and creatively to sing songs and speak chants and rhymes.

Computing

The children will be working with simple algorithms to write instructions using both computers and robots. They will debug (change) their programs to make them more accurate.

We will then learn about using technology safely and respectfully.

Welcome Back! I hope you have all had an enjoyable and relaxing summer. I have had a fantastic break culminating in my swim of the English Channel. Thanks you again for all your support, we managed to raise just short of £23,000 which we hope will go some way in supporting the charities.

I am really excited to be starting the new school year in Tiger class and look forward to everything the year has instore for us. I would like to take this opportunity to remind you that I will be available every morning 08:40-08:55am and afterschool if you would like a chat or have any questions or concerns.

English/Phonics

The children will spend time ensuring they are confident in all their sounds and work on their blending and segmenting to read with better fluency and with greater stamina.

We will be using Classic tales as inspiration for our writing. Starting the year off with Cinderella.

Mathematics

Maths will be taught using a variety of concrete objects with the purpose of giving the children a conceptual understanding of both Number and Place Value. As the term progressing we will be developing our problem solving and reasoning.

Physical Education– Please ensure children have their PE kits in school but their PE afternoons will be on a Wednesday and Thursday.
