Dear Parents and Carers,

Many thanks to all those who attended the AGM, we reported a successful year and a healthy bank balance so hope to fund some nice extras in the coming school year. New storage solutions for the lunchtime play equipment and blinds for the conservatory were approved at the meeting. If you would like to see a copy of the minutes or accounts please go onto the Friends section of the school website. We have welcomed valuable feedback from the School Council and circle time so hope that your children are having their say about our planned events and projects - after all, we hope it will benefit them the most.
