Church Road, Carleton Rode,  
Norwich, Norfolk  
NR16 1RW

4th January 2019

Dear Parents/Carers,

Just to confirm that the maths evening is still planned for Thursday 10th January at 6pm.

This will look at how we teach the four calculations: addition, subtraction, multiplication and division. While it will be mainly looking at how we teach these in KS2 (Years 3 – 6) it will still be very relevant for those who are parents of KS1 (Yr 1 and 2) children.

I know some parents lack confidence in their own maths ability so just to reassure you, this will be a relaxed session – you will not be put on the spot! But hopefully it will answer questions that I know many parents have, and it will help you as parents to know how best to support your child in this area of maths. It would be really helpful if we can have an idea of numbers. Please can you fill in the slip below to let us know if you planning to attend. If on the day, there is a change of plan and you can come along after all, please do feel free to do so.

Many thanks and I look forward to seeing some of you next week.

Regards

Liz Churchill  
Learning Lead
