

English – In English this half term, we will work on some different kinds of poetry. We will also look at writing letters and diaries. We will use a variety of texts within our Guided reading sessions and will continue improving our spelling, punctuation and handwriting.

Maths – This half term we will consolidate the work we have done on addition and subtraction, and we will begin to work on multiplication and division skills. We will use reasoning and problem solving activities to further our learning. We will also continue to work on our times tables, having weekly tests

P.E – Just as last half term, our usual P.E will be on a Friday, but please make sure the children have kits in school all week.

Art – Our Art work this term will include using a variety of techniques. To link with our topic 'Remember' we will be creating art pieces inspired by World War 1.

R.E – Within our R.E lessons, we will be exploring how being a Christian affects your life, and what can be learned from the Creation story.

### Lion Class.

### This half term our topic is Remember.

Music – We will be using our new music scheme to help us to learn important musical skills, such as listening, singing, playing instruments, and learning to compose and improvise too.

French - This half term we will begin learning some French. We will learn how to say our name, age and where we live, and learn numbers, and colours. We will learn greetings and simple questions and begin to have conversations.

History – In History we will be learning about our topic and exploring the roles of different people (women and children for example), and the contribution they made. We will look at how things have changed, and the legacy left behind by those who fought in the world wars.

Science – In Science we will be looking at Food Chains. We will construct and interpret a variety of food chains, identifying producers, predators and prey.
