

**English** – In English this half term, we will look at writing a narrative from more than one viewpoint, based on a class text that will be linked to our Weather topic. We will also look at the features of a newspaper article. We will use a variety of texts within our Guided reading sessions and will continue improving our spelling, punctuation and handwriting.

**Maths** – This half term we will continue with our learning on angles and the properties of shapes. We will also learn to record and interpret data using tables and graphs, using data collected about the weather. We will use reasoning and problem solving activities to further our learning. We will also continue to work on our times tables, having weekly tests

**P.E** – As well as our usual P.E on a Friday, (but please make sure the children have kits in school all week.) we will continue to go swimming each Thursday morning.

**R.E** – Within our R.E lessons, we will be exploring what it is like to follow God, with a focus upon Christianity.

Lion Class.  
This half term our topic is  
'Weather.'

**Art** – To link with our topic of Weather, we will be creating lots of weather-themed art work, focussing on texture and colour for effect.

**P.S.H.E** – This half term we will look at online safety, and how to use technology responsibly. We will also look at passwords and protection of data.

**Science** – In Science we are going to be learning about All Living Things. We will learn about grouping animals in different ways, and how to use classification keys.

**Music** – We will learn to listen to, appraise and sing a song, as well as learning to play accompanying instruments, leading up to being able to perform together.

**Geography** - We are going to learn about key features of physical and human geography linked to our Weather topic. We will also learn about the water cycle.
